

Exciting Professional Development Opportunity with TomoClub

Dear Educators,

We are thrilled to announce an upcoming professional development course offered by TomoClub. This course is designed to enhance your skills and support your professional growth through engaging and interactive sessions.

This professional development course will provide valuable insights and skills to enhance your teaching practice and benefit our school community. The inclusion of fun activities and multiplayer video games will make the learning experience enjoyable and memorable. The idea is to have fun and camaraderie while doing professional development.

COURSE OVERVIEW:

Professional Ethics and Conflict Management

1. Understand and apply the principles of professional ethics.
2. Learn effective conflict resolution techniques.
3. Participate in real-world scenarios to practice ethical decision-making and conflict management.

Interpersonal Dynamics and Teamwork

1. Develop skills to build and maintain strong relationships.
2. Discover strategies for effective teamwork and collaboration.
3. Enhance your communication skills for better interactions with colleagues and students.

WHY PARTICIPATE?

Interactive and Fun:

Engage in hands-on activities, group discussions, and multiplayer video games that make learning enjoyable

Practical Applications:

Gain tools and strategies that can be immediately implemented in an educational setting.

We encourage all teachers to participate and take advantage of this unique opportunity. Keep a lookout for logistical details. We'll be looking forward to your participation!
