# OVERVIEW

TomoClub offers an engaging SEL curriculum featuring interactive multiplayer games and detailed session guides, tailored for schools with specific needs and diverse demographics. Our sessions include warm-ups, gameplay, guided practice, and debriefing, emphasizing real-life applications and personal growth. The focus is to foster collaboration, communication, and essential life skills.

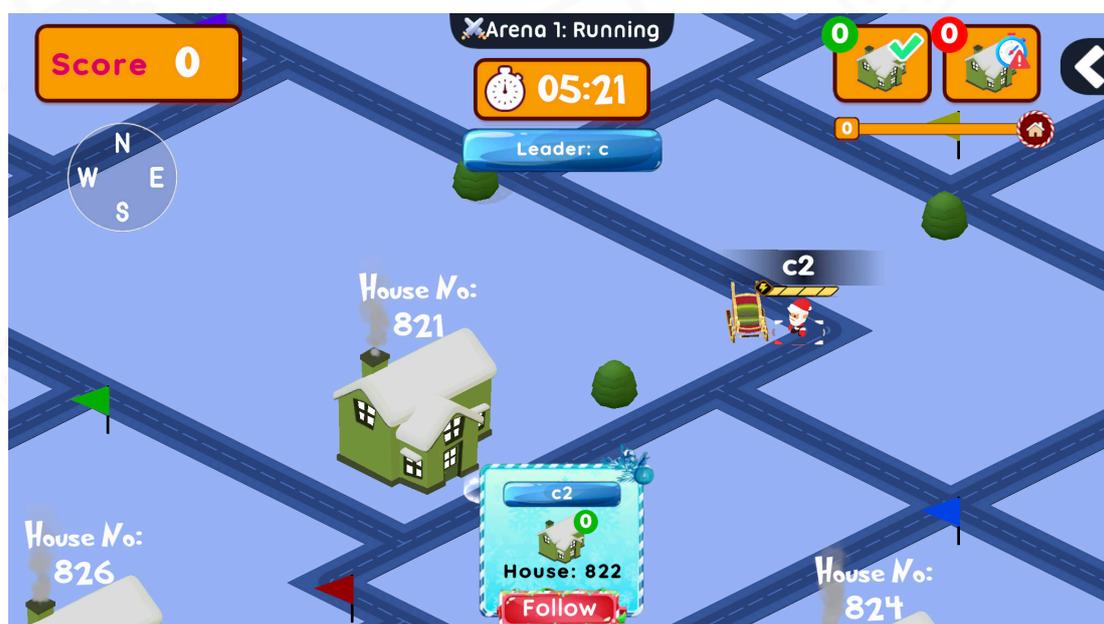

## WHAT TO EXPECT IN A TOMOCLUB SESSION?

TomoClub sessions prioritize the cultivation of valuable social-emotional skills such as leadership, empathy, teamwork, resilience, and strategic thinking. Each session incorporates elements like Energy Connectors for community building, Interactive Discussion to set the stage, Guided Practice for profound reflection, Collaborative gameplay for core learning, Debriefing Sessions for practical applications, and Value-based Discussions on fundamental principles. Let's explore two examples to gain insight into our games and session guides.
