Transforming Education with TomoClub: Impact Metrics and Their Significance

www.tomoclub.org

OVERVIEW

In an era dominated by artificial intelligence and digital innovation, TomoClub is at the forefront of revolutionizing education. Our focus on essential skills and active student engagement through game-based learning ensures students are prepared for future challenges. Here's an overview of our impact metrics, their significance for student learning, and their relevance for schools.

WHAT TOMOCLUB BRINGS TO YOUR SCHOOL!

KEY FOCUS AREAS:

Skills for the Age of AI:

Empowering students with essential skills for future success.

Active Engagement:

Fostering student participation and enthusiasm through game-based learning.

BENEFITS FOR SCHOOLS:

Social Emotional Learning (SEL):

Enhancing emotional intelligence, empathy, and relationship skills.

College and Career Readiness:

Preparing students for skills relevant to higher education and future careers.

Leadership Development:

Cultivating leadership qualities and decision-making skills.

Essential Life Skills:

Teaching critical thinking, collaboration, and problem-solving.

OUR IMPACT METRICS

We gather data through in-session polls, parent feedback forms, and expert assessments to comprehensively assess our impact. Here's a graphical representation of TomoClub's impact metrics:

This bar chart visually demonstrates the substantial positive impact TomoClub has on students, highlighting their engagement, behavior improvement, and application of learned skills in daily life.

STUDENT SNAPSHOT: PERSONALIZED PROGRESS REPORTS

At TomoClub, we provide personalized student snapshots that offer comprehensive insights into each child's learning journey. These reports detail the games played, skills acquired, expert feedback, and SEL assessment scores, presenting a holistic view of a student's progress and achievements.

SAMPLE SNAPSHOT: SHAELEIGH MCMAHON, GRADE 3

Session Overview:

In our recent session, students played "Backyard Blast," a game focused on collaboration, strategy, and decision-making. The goal was to manage resources and keep their backyard healthy, fostering teamwork and critical thinking.

Moderator's Feedback:

"Shaeleigh showed remarkable patience with her teammates today, giving them time to speak and actively listening to their game strategies. However, she didn't hesitate to voice her opinions when needed. It is heartening to see her grow so much."

Key Metrics:

1. Improved Emotional Regulation: 40%
2. Enhanced Empathy: 20%

Collaboration in Action:

We provide additional collaboration in action pieces including fun activities and educational videos, encouraging parents to engage with their children in the session, to enhance the learning experience at home.

CONCLUSION

TomoClub's impact metrics demonstrate our commitment to enhancing student learning through innovative, engaging, and effective SEL programs. By focusing on skills that matter in the age of AI and fostering active engagement, we prepare students for future success while contributing to a positive and productive school environment.
