TomoClub and ELO-P Funding: Enhancing Student Learning and Engagement

www.tomoclub.org

INTRODUCTION

TomoClub, an innovative platform dedicated to revolutionizing education through game-based learning, focuses on social-emotional learning (SEL) and essential life skills. We are proud to partner with schools utilizing the Expanded Learning Opportunities Program (ELO-P) funds to deliver innovative, engaging, and educational experiences. ELO-P is designed to extend learning beyond regular school hours, integrating academic support, enrichment activities, and community engagement.

This report details how schools can leverage ELO-P funding to sponsor TomoClub programs, the scope and impact of ELO-P, and why TomoClub is a perfect fit as an ELO-P partner.

OVERVIEW OF ELO-P

The Expanded Learning Opportunities Program (ELO-P) is a substantial investment aimed at enhancing educational experiences outside regular school hours. With a total funding of \$4 billion for the 2023-24 school year, ELO-P focuses on providing academic and enrichment programs that contribute to holistic student development.

KEY POINTS:

Investment and Funding Rates:

- Schools with UPP (Unduplicated Pupil Percentage) $\geq 75\%$ receive \$2,750 per student.
- Schools with UPP $< 75\%$ receive \$1,802.66 per student.

Requirements:

1. Schools with UPP $\geq 75\%$ must offer the program to all students and ensure access for all interested families.
2. Schools with UPP $< 75\%$ prioritize unduplicated students (e.g., homeless, foster youth).
3. Must provide transportation if the school site does not operate an ELO-P.
4. Programs must include a minimum of 30 non-school days with 9 hours of programming per day, and adhere to specific class size ratios (TK/Kinder: 10:1, Grades 1-6: 20:1).

ACADEMIC AND ENRICHMENT COMPONENTS:

Academic:

- Includes summer learning, STEAM opportunities, and project-based learning.
- Avoids traditional, uninspiring summer school methods.

Enrichment:

- Activities encompass fine arts, career technical education, physical fitness, and prevention activities.
- Focus on culturally relevant activities and continuous quality improvement.

LEVERAGING ELO-P FUNDS TO SPONSOR TOMOCLUB

Schools can utilize their ELO-P funds to sponsor TomoClub programs, aligning with the program's emphasis on innovative, engaging educational experiences. TomoClub offers unique game-based learning that supports the academic and enrichment goals of ELO-P.

BENEFITS OF SPONSORING TOMOCLUB:

<p>Holistic Development:</p>	<ul style="list-style-type: none"> • TomoClub's activities are designed to enhance social-emotional learning (SEL), critical thinking, and teamwork. • Programs foster skills crucial for career readiness and leadership.
<p>Enhanced Engagement:</p>	<ul style="list-style-type: none"> • Our game-based learning approach keeps students actively engaged and eager to participate. • Students experience significant improvements in positive behavior, academic performance, and mental health.
<p>Tailored Support:</p>	<ul style="list-style-type: none"> • TomoClub provides detailed student snapshots, offering insights into skills acquired, expert feedback, and SEL assessment scores.

WHY TOMOCLUB FITS AS AN ELO-P PARTNER

TomoClub aligns perfectly with ELO-P's goals by offering enriching, engaging programs that complement traditional learning and foster a well-rounded education.

KEY ADVANTAGES:

Alignment with ELO-P Goals:	<ul style="list-style-type: none"> • TomoClub's curriculum supports STEAM education, collaborative problem-solving, and culturally relevant activities. • Programs are designed to meet ELO-P requirements, including specific class size ratios and instructional hours.
Impactful Outcomes:	<ul style="list-style-type: none"> • TomoClub's programs lead to improved attendance, enhanced academic success, better mental health, lower behavior referrals, and increased career readiness. • Our data-driven approach ensures measurable outcomes and continuous improvement.
Support and Resources:	<ul style="list-style-type: none"> • TomoClub provides extensive support to educators, helping meet ELO-P criteria and maximize the impact of funds. • We assist with program coordination, communication, and leveraging technology for tracking and reporting.

CONCLUSION

By leveraging ELO-P funding to sponsor TomoClub programs, schools can provide students with enriching, engaging, and educational experiences that extend beyond the traditional classroom. TomoClub's alignment with ELO-P goals and its impactful outcomes make it an ideal partner for schools seeking to maximize the benefits of expanded learning opportunities. Together, we can foster a supportive and engaging learning environment that prepares students for future success.
